“ It was truly a privilege to call Alberta a friend. She was bright, and funny, and kind, and I will long remember her “Hi hon!”, always accompanied by a little wave. It can truly be said that to Alberta, no one was a stranger. A self-described “people person”, she made friends easily and kept them forever. I have so many memories that I will cherish always—Alberta led a long life, but still left us too soon.

“ I will always remember her smiling face and cheerful greeting while sitting in the back of church. Heaven received another angel.
