“ I was saddened to hear of Mrs. Wydenowski's death. I was a member of the Eldorados rock and roll band with her son, John T. (steel and rhythm guitars) in the early '60's. Mr. and Mrs. Wydenowski allowed our band to practice in their basement and they were so nice to all of us. (They must have been hard of hearing!) I always enjoyed visiting their home even if we weren't practicing as they were so hospitable to us. I last saw her and Mr. Wydenowski at the funeral for her son, John. She was such a classy lady and I know that there is certainly a place for her in Heaven. May God bless the family.
