“ Patty was a great softball coach always treating the girls like they were her own she always wanted to see the girls smile and have fun. And afterwards the barbecue at her house she always had a kind word. I will always remember her humor she never let anybody feel left out. Always pushing the girls to do there best. And they one the big one for her. Rest in peace patty.

“ So many memories, but one of my favorites was driving to Clayton for the girls softball game, car overload and cardboard covering the hole in the backseat floor.. You get tossed from the game for questing a call , with rule book in hand and the team applauded you and went on to win the game! Fun times were always had, no matter what we were doing... Breath Easy Now, No Longer in Pain... Until we meet again! Remembered by All who knew and loved you!
